

Calculate Your Commute

Use this chart to track the distances (miles or minutes) to places you visit the most.

DISTANCE TO:	Community 1:	Community 2:	Community 3:
Work:			
Schools:			
Schools: Walk, Bike or Bus?			
Grocery Store:			
Social Activities:			
Daycare:			
Parks / Trails:			
Shopping:			
Other:			

Overall, my experience with Omega has been outstanding.

Omega has excellent quality homes for the price and the superintendents & sales agents are very helpful.

Derick A., Homeowner

Home Shopping Tip #12

Make a list of the amenities available in each community. Are there any planned amenities in future areas of the community? Which amenities are important to your lifestyle? Are there local amenities close by that meet your needs?
